WHY ATTEND

SOIL HEALTH U 2024

YOUR ROADMAP TO BETTER SOIL HEALTH.

Make plans to attend Soil Health U 2024, running January 17-18 in Salina, KS. This event, produced by High Plains Journal, provides information on how to rebuild soil health while boosting profitability and the land's long-term productivity.

 [@soilhealthu](https://www.facebook.com/soilhealthu)

WHAT TO EXPECT:

This two-day event features an interactive trade show, keynotes, panels, breakout sessions, hands-on workshops/demos, and networking with industry experts.

WHO SHOULD ATTEND:

This event reflects land as a resource that, when treated with care, can continue to provide for farmers and ranchers even when times are tough. With Soil Health U, attendees will learn how to unleash the power of healthy soil. Past attendees include farmers and ranchers of all acreages, agribusiness professionals, agronomists, landowners and students.

WHAT'S INCLUDED:

Attendee registration includes everything - no add-on charges. Online registration is now open.
